

**Spring 2019**

## **EARN CONTINUING EDUCATION CREDITS**

through professional  
development  
specifically for  
physical educators!

The Presidential Youth Fitness Program is the nation's fitness education and assessment program. Through a partnership between the National Fitness Foundation and the Alliance for a Healthier Generation, physical educators have an opportunity to earn continuing education credits this fall! By completing a series of four FREE online modules, PE teachers nationwide can learn how to create a robust fitness education process through implementation of the Presidential Youth Fitness Program.

### **Steps to Earning a .5 CEU for the 4-Module Bundle**

1. Register online by **clicking** or **copying and pasting** the following link into your browser bar:  
[https://oldwww.adams.edu/bannerweb/xs\\_registration/registration/?page\\_id=healthier\\_generation](https://oldwww.adams.edu/bannerweb/xs_registration/registration/?page_id=healthier_generation)  
*Cost for the .5 CEU is \$25.00. Registrants can pay by credit card or check.*
2. Once registration is complete, send an email to **info@pyfp.org** indicating CEU registration for Adams State University is complete.
3. Complete the four online modules accessed via the member portal on **pyfp.org** (or by accessing the **Healthy Schools Program online Training Center** using your *Healthy Schools Program* login).
4. Once all four modules are complete, email certificate of completion for the modules to **info@pyfp.org**.

In order to receive CEUs in the Fall 2018 semester, individuals must register, complete all four modules, and submit the completion certificate by **December 13, 2019**. Transcripts will be mailed by the end of December. If you've already completed the four modules, you may still receive CEUs by following steps 1, 2 and 4.
